"I'm so thankful for the care... and mostly the love my mother gets from the staff at Ivy Knoll. They truly are a blessing not only to her but to me as well. A million thanks!"

"In just a few short months at Ivy Knoll, we have our old mom back! The change in her is palpable. She has gained weight, is making freinds, dressing up, and taking part in activities. You have given us the gift of our mom and we are forever grateful!"
